CURRICULUM STRUCTURE FOR UNDERGRADUATE EDUCATION

In Accordance with the National Education Policy (NEP) 2020

UEM, KOLKATA

Semester-wise Course Structure · Batch 2025-2029 onwards

Kolkata, West Bengal

Course Categories

Category	Scope
DC-MJ	Programme professional core (PCC) theory and laboratories, core engineering-science courses of the major, and professional electives (PEC).
IDC / DCMN	Open electives (OEC, theory).
MDC	Basic science (BSC) and foundation engineering-science (ESC) courses from outside the major.
AEC	Language, communication, management, economics and humanities courses (HSMC).
SEC	Essential Studies / Skill Development for Professionals (ESP, SDP, ESEP) and skill sessionals (Python, Java, data structures, cloud).
VAC	Mandatory and value-added courses (Constitution, Environmental Science / Sustainability, IVC, co-curricular, audit), plus MAR, IFC and MOOCs.
IAPC	Mini and major projects, innovative projects, internships, seminars, grand viva and comprehensive viva.

Evaluation and Examination Pattern

For core and elective courses at UEM, Kolkata. Total evaluation weightage is 100% per course, split between end-semester and internal assessment.

Component	Weightage	Assessment Breakdown / Guidelines	Passing Criteria
Theory – End-Semester Examination (ESE)	50%	Conducted for 100 marks. Covers all modules of the syllabus with a moderate balance of conceptual, application-based and analytical questions. Question banks are prepared by faculty and finalised by an external moderator approved by the Controller of Examinations (CoE).	Minimum 50/100 in the End-Semester examination
Theory – Internal Assessment (IA)	50%	Mid-Semester Tests: 30 marks (minimum of two tests, equally weighted); Continuous Assessment: 20 marks (quizzes, assignments, etc.); Notional/experiential learning: 10 marks; Attendance & Class Participation: 10 marks.	–
Practical – End-Semester Examination	50%	Experiment / Project Execution: 40 marks; Lab Report: 30 marks; Viva-Voce: 30 marks.	Minimum 50/100 in the End-Semester practical examination
Practical – Internal Laboratory Assessment	50%	Two continuous assessments of 50 marks each, based on laboratory performance, lab records and viva.	–
